Beta Zeta Chapter Management

Lexington, VA – Fifth Point Properties, LLC is pleased to announce that they have entered into an agreement to manage the chapter home of Beta Zeta Chapter of Sigma Nu Fraternity at Purdue University. This is Fifth Point Properties’ third property management contract agreement in the last 13 months and the second in Indiana.

The Beta Zeta Chapter home was built in the early 1990’s. The house corporation has decided to look into a possible renovation project, and is looking to Fifth Point Properties experience in this area. “This chapter home is in good shape compared to many” stated Steve Ratterman, President and COO of Fifth Point Properties. “To the house corporation’s credit they are being very proactive to make sure that the Beta Zeta Chapter home remains one of the premier properties on the Purdue campus. We are pleased to have been chosen by them to not only help them with this project, but to also manage the day to day property operations.”

Fifth Point Properties, LLC, a wholly-owned subsidiary of Sigma Nu Fraternity, Inc., has interest in real estate located on or near more than 20 college campuses throughout the United States.
